MAXER ICE BATH TUB + CHILLER MACHINE

BUILT-IN  UV + OZONE SYSTEM

Durable and elegant, with cedar's natural aroma. An external chiller ensures precise cooling, while the insulation maintains temperature & efficiency.

Specification

Power Output	: 1HP
Input Voltage	: AC100-127V 60Hz/ AC220-240V 50HZ
Temperature Range	: 3°C ~ 42°C
Net Weight	: ≈ 40 kg
Water Flow Rate	: ~ 50 L/minute
Cooling capacity	: ≈ 3000 W
Sanitizing System	: Built-in UV & Ozone
Feature	: Water Cooling + Water Heating
Dimensions (L × W × H)	: 54 × 40 × 55 cm
Tub Size	: Ø860 × High 970 × Depth 850

 **High Performance Cooling**

 **Compact Design**

 **Versatile for Physical Therapy**

 **Durable Materials**

MAXER ICE BATH TUB COMPACT

BUILT-IN  UV + OZONE SYSTEM

Durable and elegant, with cedar's natural aroma. An external chiller ensures precise cooling, while the insulation maintains temperature & efficiency.

Specification

Power Output	: 4HP
Input Voltage	: AC100-127V 60Hz
Temperature Range	: 3° ~ 40°C Adjustable
Net Weight	: 240.0 kg/Set
Cooling Capacity	: 3000W
Wifi Remote Control	: Yes
Refrigerant	: R410A/R32
Color	: White
Dimension (L x W x H)	: 2196 x 843 x 880 mm
Control Method	: Tuya Smart App (WiFi)

 **High Performance Cooling**

 **Larger Design**

 **Versatile for Physical Therapy**
